24th Sunday in Ordinary Time Stewardship Reflection

"Whoever wishes to come after me must deny himself, take up his cross, and follow me." MARK 8:34

Living a stewardship lifestyle means not only being responsible for my own life, but for the lives of others as well. We realize that our gifts are not intended for ourselves, rather they are meant to be shared with others.

"Taking up my cross" means doing things when someone else needs me and not when it's convenient for me.

Immigration Advocacy - Immigration & the Human Impact

There are more than 11 million undocumented immigrants presently in the United States. Each year, approximately 300,000 more enter the country. Yet there are only 55,000 green cards available annually in the lottery, known as the Diversity Visa program. With few exceptions, these immigrants are hardworking, honest, faithful people simply desiring the opportunity to make a better life for themselves and their families. The United States is a nation of immigrants; a review of the history of our own families and of our nation reminds us of the need to welcome the stranger in our midst.
