Immigration Advocacy –The USCCB Supports Earned Immigration

The United States Conference of Catholic Bishops supports an earned legalization program that would allow foreign nationals of good moral character who are living in the United States to apply to adjust their status to obtain lawful permanent residence. Such a program would create an eventual path to citizenship, requiring applicants to complete and pass background checks, pay a fine, and establish eligibility for resident status to participate in the program. To learn more about Church teaching on immigration and find resources for immigration advocacy, visit arlingtondiocese.org/immigration

28th Sunday in Ordinary Time Stewardship Reflection

"It is easier for a camel to pass through the eye of a needle than for one who is rich to enter the kingdom of God." (Mark 10:25)
Jesus uses tough language that we may not want to hear. But, we are all called to be generous with all of our gifts. Not just the ones we pick and choose, but all our gifts, and especially the one that means the most to us! That includes our time in prayer to God, our talent in participating in parish ministries and our treasure supporting our local parish and other charities.
