Encounters: Catholic Family Resource

An Encounter is a series of resources designed for families or small groups to safely learn about the Faith in a non-classroom environment. These can each be done during the pandemic at a time when young people are exhausted with virtual learning. Some of them require a short trip to a local Catholic site, while others can happen right in your own kitchen! Parents have the greatest impact on the faith lives of their children. Why not take a few minutes to skim through the various Encounters we have created and then make plans for your family to do one together this weekend? arlingtondiocese.org/encounters

Amending the Virginia Constitution and Parish Vote Report

The "Parish Vote Report" was prepared by the Virginia Catholic Conference – which represents our Commonwealth's bishops at our state capitol in Richmond. One key vote was the ongoing attempt to add an extreme so called "right to abortion" amendment to the Virginia Constitution – a matter you will continue to hear much more about. Many people took an active part in these debates. Knowing the outcomes and how your legislators voted is a critical part of staying informed and engaged. Please review the vote report and join the Virginia Catholic Conference email network at vacatholic.org/action.
